Name of institution: INSTITUTO POLITÉCNICO DE BRAGANÇA

Overall conclusion: successful

1. Strengths of application

This is a strong application. Although the annexed documents are set in a disordered manner and mixing Portuguese and English versions, the overall content of each of the documents is in accordance with the DS regulations and provides key information at all levels.

2. Areas for further improvement

The Diploma Supplements issued satisfy all the requirements, hence there are no suggestions for further improvements.
