

2017 IPB ICM Meeting, 15-19 May 2017, Bragança, Portugal

List of seminars for Portuguese and ICM students

At School of Technology and Management (ESTiG)

Degree	Lecture	Name	Home University	Day	Hour	Room number	Notes
Master in Chemical Engineering	High performance liquid chromatography (HPLC) of metal chelates	Irina Tsoy	Taraz State University	18/mai	10:00-10:45	S 105	
Master in Chemical Engineering	New technology of lignite (brown coal) liquefaction	Ashot Galoyan	National Polytechnic University of Armenia	18/mai	9:00-9:45	S 105	
Master in Industrial Engineering (Mechanical Engineering)/ Construction Engineering	An efficient design process for smoke and heat evacuation systems	Abdallah Benarous	University Hassiba Benbouali of Chlef	18/mai	09:30-10:00	S115	
Master in Industrial Engineering (Mechanical Engineering)/ Construction Engineering	Fire Safety for Buildings: Algerian Prescriptive Rules and Regulations	Belkacem Lamri	University Hassiba Benbouali of Chlef	18/mai	16:00-16:45	S102	
Master in Industrial Engineering (Mechanical Engineering)/ Construction Engineering	Fundamentals and Principles to Design Steel Members against Fire	Abdelhak Kada	University Hassiba Benbouali of Chlef	18/mai	09:00-09:30	S115	
Master in Industrial Engineering (Mechanical Engineering)/ Construction Engineering	Numerical simulations on the behaviour of steel portal frames under fire	Nourredine Benlakehal	University Hassiba Benbouali of Chlef	18/mai	16:45-17:30	S102	
Master in Information Systems	A cellular automation: prediction tool for semistructured data	Elena Popova	Kuban State Agrarian University	18/mai	14:00-15:00	S129	
Master in Information Systems	Building the information enterprise management system based on the products of 1C COMPANY	Viktor Starikov	Omsk State Technical University	16/mai	19:00-19:45	S207	
Master in Information Systems	The project management of the informatization in the organization	Natalia Efanova	Kuban State Agrarian University	18/mai	15:00-15:45	S129	
Master in Information Systems	Development and Delivering of effective presentations	Gevorg Margarov	National Polytechnic University of Armenia	16/mai	18:00-18:45	S207	
Master in Management	Armenia's capital market opportunities and development strategy	Gevorg Arevshatyan	National Polytechnic University of Armenia	16/mai	16:45-17:15	LPC	
Master in Management	Assessment of human resources of Siberian cities for the company's needs (by the example of Omsk)	Vitaly Aleshchenko	Omsk State Agrarian University	16/mai	18:30-19:00	210	Translation by Kopeykin Mikhail
Master in Management	Cross-cultural issues of doing business in Russia	Tatiana Khvatova	St. Petersburg State Polytechnic University	18/mai	09:45-10:15	122	
Master in Management	Entrepreneurship and innovative business in Russia	Oksana Evseeva	St. Petersburg State Polytechnic University	18/mai	09:00-09:30	122	
Master in Management	Features of corporate social responsibility in Russia	Olga Pashkina	Samara State Agricultural Academy	18/mai	10:45-11:15	207	Translation by Denis Vasiukov
Master in Management	Management decisions and their effectiveness	Olga Kosenchuk	Omsk State Agrarian University	18/mai	10:00-10:30	207	Translation by Kopeykin Mikhail
Master in Management	Marketing in Bank Sphere	Olga Morozevich	Belarus State Economic University	16/mai	16:00-16:30	LPC	
Master in Management	The Global Trends and Issues of Renewable Energy: Economic and Investment Aspects	Sargis Manukyan	National Polytechnic University of Armenia	19/mai	09:00-9:30	LPS	

At School of Agriculture (ESA)

Degree	Lecture	Name	Home University	Day	Hour	Room number	Notes
Biotechnological Engineering	Bio-Engineering of material surfaces : Applications for Biomaterials and Biosensors	Ali Othman	Institut Supérieur de Biotechnologie de Monastir	18/mai	9:00-9:45	G3-S3/03	
Biotechnological Engineering	FUNGAL communication with the environment: does it affect foodstuffs quality?	Hend Bejaoui Ep Taboubi	Institut Supérieur de Biotechnologie de Monastir	18/mai	9:45-10:30	G3-S3/03	
Biotechnological Engineering	Genetic diversity of the Tunisian populations and their relationships with Iberian and Middle Eastern populations revealed by fine characterization of mtDNA lineages.	Lotfi Cherni	Institut Supérieur de Biotechnologie de Monastir	18/mai	10:30-11:15	G3-S3/03	
Biotechnological Engineering	Traditional food / Functional food	Lotfi Achour	Institut Supérieur de Biotechnologie de Monastir	18/mai	11:15-12:00	G3-S3/03	
Management in Forest Resources	An overview of sustainable aquaculture	Nadia Berday	Institut Agronomique et Vétérinaire Hassan II	16/mai	16:00-16:45	Correia Araújo	
Management in Forest Resources	Application of remote sensing techniques to understand the silting rate of Moroccan dams: A study case from Ibn Batouta dam	Mohamed Chikhaoui	Institut Agronomique et Vétérinaire Hassan II	16/mai	16:45-17:30	Correia Araújo	
Management in Forest Resources	Forests of the Russian Federation	Olga Prikhodko	Primorskaya State Agricultural Academy	18/mai	9:00-9:45	G5-S3/01	
Management in Forest Resources	Morocco's wildlife. Current state and prospects for conservation	El Ayachi Sehhar	Institut Agronomique et Vétérinaire Hassan II	18/mai	9:45-10:30	G5-S3/01	
Management in Forest Resources	Rangelands Degradation in Upper Moulouya (Morocco) by mining activity	Bouamar Baghdad	Institut Agronomique et Vétérinaire Hassan II	18/mai	10:30-11:15	G5-S3/01
